

Spring 2019 The Valley Voice

Meet & Greet

Date: Saturday, April 27th

Time: 2:00pm - 4:00pm

Location: Fulton Park

Spring is in the air! Please join the Board for a casual meet & greet. SVM Members are invited to drop by and say "hello" to old friends, as well as meet some of our new neighbors! Children welcome. A clipboard will be on hand for topic suggestions for this year's October General Membership Meeting.

KEEPING FIDO HEALTHY & HAPPY

Did you know many of the food items we eat everyday are toxic to our 4-legged friends? According to [PetMD](#) chocolate, garlic, onions, grapes and Xylitol can be toxic to dogs. Xylitol is a sugar substitute found in sugarless gum, as well as many sugarless foods.

SVM Directory Update

The Board would like to say "thank you" to everyone who provided information for our new Directory. Tim Hose (our VP) has been working hard getting the Directory ready in time for our Spring Meet & Greet. If you are unable to attend the April gathering, please contact your Street Representative as they will have your copy.

*** Note ***

If you would rather have a digital copy emailed to you instead of a hard copy, [please let us know](#).

Thank You!

Thank you to everyone who paid their dues on time!

City of Little Rock News

CITIZENS POLICE ACADEMY

Designed to give the public a working knowledge of LR's Police Department's personnel & policies. Certified police officers, supervisors & personnel with expertise in a particular division conduct each instructional block.

West Nile Virus & You

The Board was recently informed that one of our own SVM neighbors was diagnosed with West Nile Virus. With that in mind, we wanted to remind everyone to wear insect repellent when outdoors. Health officials say most people are infected with the virus between June and September. West Nile Virus is transmitted to people through mosquitoes.

MORE ABOUT WEST NILE VIRUS
